Come on and put your arms a-round me And tell me that you're glad you found me
BARITONE
Come on and put your arms a-round me Oh ba-by, Come on. By look-in'
in your eyes I sur-mise This is my chance I can see This'll be a
hea-vy ro-mance Come on because I cant re-sist you I won't be happy till I've kissed you
Come on because I can't re-sist you Oh ba-by Come on When I'm be-side you
My heart is gone! Come on and let your conscience guide you Oh, ba-by Come on.
